SELECTION PROCEDURE

B.Pharm, Pharm.D & D.Pharm courses

Preparation of common Merit list and Allotment of candidates:

Admissions will be done on the basis of marks obtained by the candidates in the qualifying examinations as mentioned below.

The marks obtained by the candidates in the relevant subjects in the qualifying examination conducted by various Boards or authority of other states shall be equated with the marks obtained by the candidates in the same subjects in the qualifying examination conducted by the Director of HSE, Kerala. Marks obtained by the candidates under various streams of examinations such as HSE in Kerala / CBSE/ICSE etc. will be subject to the process of normalization.

Explanation: Under the method of normalization, the highest mark obtained by students of various Boards in each subject shall be equated to the highest mark obtained by the students of the Kerala Higher Secondary examination in that subject and the relative marks obtained by other students in that subject shall be determined accordingly.

Illustration: If the highest marks secured by the student of the Kerala state HSE, in Physics is 100 and the highest mark secured by a student on any other board in the same subject is 90, both the highest marks will be considered to be equal to 100, if a student of the other board secures 60 marks in Physics when the highest mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.67marks as arrived at below:

100 X 60/ 90 =66.66%

Those candidates, who have passed the qualifying examination of any state other than Kerala, will be treated at par with those students who have passed the Higher Secondary Exam of this state. Since the normalized marks depend on the applications of a College, the index marks of an applicant may vary from college to College.

For allotment of D.Pharm students to the Pharm.D course, Rank List will be prepared on the basis of the marks obtained by candidates in first and second year of D.Pharm examination from an institution approved by PCI undersection12 of the Pharmacy Act.

PUBLICATION OF RANK LIST

B.Pharm, Pharm.D & D.Pharm

The Rank list will be published by the Association in its website www.ksspcma.com and the allotment memo will be send to the candidate by the Association based on the rank and options given by the candidate. The respective Colleges will be admitting the students as per the allotment memo.

i. In the case of a tie in the total marks, the marks in Chemistry in the qualifying examination will be counted. If there is still a tie, the marks in physics will be counted. If a tie still exists, the age of the candidate will be taken into account, the elder preferred to the younger. **If a tie again exists, the alphabetical ascending order of the name of the candidates in English will be taken in to account.**

ii. Furnishing false information/particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course, and in addition, will attract the relevant provisions of criminal law of the land.

iii. Seats lying vacant under the Govt. Merit Quota after the date fixed for the completion of admission will be treated as lapsed seats and can be filled up by the respective Colleges from among the applications received from the eligible candidates. In case there is sufficient / eligible candidates are not found the College can individually invite applications.

SELECTION PROCEDURE

B.Pharm Lateral Entry

Admissions will be done on the basis of marks obtained by the candidates in the qualifying examination

PUBLICATION OF RANK LIST

B.Pharm Lateral Entry

RESERVATION OF SEATS

i. Minority institutions will have t freedom to fix appropriate reservations to their community. In case of agreement with Govt. the reservation seats will be allotted from the Govt. Seats. These details can be seen in the pages allotted for each College.

ii. Minority institutions will have the freedom to fix appropriate reservations to their community.

Reservation of religious nuns/orphanage is not permitted in view of the findings of the Hon"ble High Court taken in various cases. For example, in judgment dated 31 October 2018 rendered in Safe Development Alms Trust (SDA Trust) v. State of Kerala the Hon"ble Court ruled as follows:

"Therefore, it is clear that the source from which a minority educational institution is permitted to choose its students is the 'minority community' that enjoys the constitutional protection under Article 30(1). No sub division or sub sect within such community can claim a distinct and separate right that could be exercised even against its own community members."

A further categorization within the community itself would give the institution a freedom to exclude a more meritorious candidate of the minority community and to choose a less meritorious one, which is not permissible.

"No sub division or sub sect within such community can claim a distinct and separate right that could be exercised even against its own community members"

NRI Seats

15% of the total seats are marked for NRI Candidates.
The Tuition fee of 85 % open merit quota and 15 % for NRI quota seats shall be as per the ASC order No. FRC 50/24/PHARMACY/KSSPCMA dated 10/10/2024.

SCHOLARSHIP

Scholarship will be given subject to a maximum of 50% of the fees payable by other regular candidates in the respective Colleges, to candidates who are economically backward. This benefit will be given to a maximum of 3 seats in each course and subject to the passing of all continued examinations and continued good conduct. The Management will have the freedom to verify the family income and if found incorrect appropriate action deemed fit will be taken by the management. This will be at the decision of individual Member Colleges. In any case, this will not be the right of any student.

OTHER IMPORTANT INFORMATION / POINTS

a) No request for change of selection processes will be entertained, nor will the Association entertain enquiries with regard to date of publication of the results.

b) "Candidates who express their intention not to pursue studies in the Pharmacy College before the last date fixed for closure of admissions will be eligible for refund of the 1st year tuition fee and other fees except admission fee. They will be eligible to get back their original certificates handed over to the College at the time of admission. In the case of students who leave the College midway, the right of the management for liquidated damages, if any, from such students will be determined by the competent "Civil Court".

Continuation affiliation orders from KUHS/PCI are awaited. Taking into account the likelihood of delay in completing the admission process, this prospectus is issued subject to the condition that appropriate modifications will be made on receipt of necessary orders from the institutions concerned, regarding affiliation.

"In the case of SC/ST candidates, their liability to pay fees shall be governed by the Orders issued from time to time issued by the Central and the State Governments and those of SC/ST Departments. No fees will be collected from SC/ST students or other eligible candidates except in accordance with the orders of the Central or the State Government."

Collection of tuition fee, special fee etc. shall be as prescribed by the Fee Regulatory Committee (FRC). Pending issue of orders regulating the fee by the FRC, the College is allowed to charge the tuition fee and other fees applicable to similarly situated colleges. The college shall submit the fee proposal with relevant documents before the FRC without delay. Levy and receipt of fee on provisional basis is subject to modification depending on the fee regulated by the FRC.

c) **Prohibition of Ragging** : Ragging in any form which includes harassment by word, action, gesture, intimidation, coercion, physical or mental insult / assault, teasing etc. which are capable of causing mental / physical stress or moral torture or agony to other students or staff inside / outside the premises of the College or hostel etc. is strictly coming under the word Ragging and is prohibited in all the Member Colleges. RESERVATION OF SEATS

i. Minority institutions will have the freedom to fix appropriate reservations to their community. In case of agreement with Govt. the reservation seats will be allotted from the Govt. Seats. These details can be seen in the pages allotted for each College.
ii. Minority institutions will have the freedom to fix appropriate reservations to their community.

Reservation of religious nuns/orphanage is not permitted in view of the findings of the Hon"ble High Court taken in various cases. For example, in judgment dated 31 October 2018 rendered in Safe Development Alms Trust (SDA Trust) v. State of Kerala the Hon"ble Court ruled as follows:

"Therefore, it is clear that the source from which a minority educational institution is permitted to choose its students is the 'minority community' that enjoys the constitutional protection under Article 30(1). No sub division or sub sect within such community can claim a distinct and separate right that could be exercised even against its own community members."

A further categorization within the community itself would give the institution a freedom to exclude a more meritorious candidate of the minority community and to choose a less meritorious one, which is not permissible.

"No sub division or sub sect within such community can claim a distinct and separate right that could be exercised even against its own community members.
