**REPORT**

An intellectual property right (IPR) training webinar was conducted on the 27th March 2023 online from 2.00 to 3.30 pm. This program was conducted by IQAC and IIC of Al Shifa College of Pharmacy. The training session was presented by Dr. U. B. Umamaheshwari M. Pharm, Ph. D, PGDC (IPR) from Paaree institute, Bangalore. Dr. Uma is a leading IPR consultant and patent attorney. About 40 staff of ACP attended the program. The program started with the welcome note and opening remarks of Prof. Dr. TNK Suriyaprakash, Principal, ACP. The speaker's profile was presented to the participants by Prof. Dr. Christopher P Varghese, Head, Department of Pharmacology, ACP. After being introduced, Dr. Uma presented her session. During the session, she touched upon the various aspects of patenting, existing laws in Indian patenting etc. After a succinct presentation, Dr. Uma answered many questions of the participants. The program was concluded at 3.30 pm with the vote of thanks of Prof. Dr. Dilip C, Vice Principal, ACP. The program was a successful one as it provided fundamental knowledge on IPR and helped participants to clear their doubts on various aspects of patenting.

## Report of Third Materiovigilance Expert Committee meeting

The Third Materiovigilance committee meeting was held on 8<sup>th</sup> June 2023 . Dr Kalaselvan , Sr Principal scientific officer presided the meeting. The meeting started at 9 Am at Kims Hospital board room. Members discussed about the progress of the meeting as well as the road map ahead for materiovigilance .The research scholars presented the details of the data pooled from the hospital and the committee unanimously gave approval to proceed further including reporting the same to MVPI. The research scholars and members of the committee were honoured by issuing a certificate of appreciation and four new members were added to the committee.

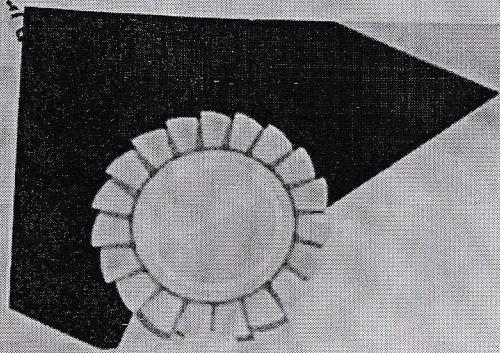

Research scholar Safina Anwar presented the outcome of her research before the expert committee. Dr kalaiselvan appreciated the committee members for effective implementation of materiovigilance programme in the hospital and urged to extend the same beyond hospital. General manager, Quality manager, Medical and Nursing supnd of hospital, Bio medical engineer, COO , coordinator and Pharmacovigilance associate of MVPI,etc participated in the materiovigilance expert committee meeting. New materiovigilance office were inaugurated following the meeting

Dr Dilip.C  
Coordinator   
MVPI, Alshifa College of Pharmacy

**Brief description :On October 21, 2023, the "My Story - Motivational Session by Successful Innovators" event featured Mr. Muhammed Jasim, the dynamic CEO of UNQ Technologies. The event took place at ACP auditorium and was attended by 100 enthusiastic students. Mr. Jasim's story is one of exceptional entrepreneurial success in the realm of clinic management software, specifically known for UNQ's AI-based live queue management facility. Mr. Jasim began by sharing his inspiring journey, taking the audience through his entrepreneurial evolution. He emphasized the importance of perseverance, innovation, and a strong vision. He recounted the challenges he faced in establishing UNQ Technologies and how he overcame them with unwavering determination and a forward-thinking approach. His experiences provided valuable insights for aspiring entrepreneurs, encouraging them to convert obstacles into opportunities. One of the highlights of Mr. Jasim's talk was his discussion of UNQ Technologies' groundbreaking clinic management software, which integrates artificial intelligence for live queue management. He demonstrated the practical applications of this technology in healthcare settings, underlining its potential to revolutionize the patient experience. The event left the audience inspired and motivated to pursue their own entrepreneurial dreams. Students were captivated by Mr. Jasim's success story and the innovative solutions UNQ Technologies offers. His story serves as a testament to the power of perseverance, innovation, and unwavering commitment. This session undoubtedly provided a valuable learning experience for all in attendance, leaving them with a sense of possibility and a drive to make their own mark in the world of innovation and entrepreneurship.**

## ACTIVITY REPORT

**Title of the event: " National Entrepreneurship Day Celebration “**

**Objective of the event:**

1. To provided deep insights into the challenges, triumphs, and strategic decisions that shaped his entrepreneurial path.

**Speaker details:** Mr. Mohammed Ajmal C, the distinguished Founder and CEO of XandY Learning,

**No of Participants:**

Students	200	Faculty	10	Mode	Offline
----------	-----	---------	----	------	---------

**Brief description:**

On the 22nd of November 2023, AI Shifa College of Pharmacy joyously observed National Entrepreneurship Day with a special event that left an indelible mark on both students and faculty alike. The highlight of the celebration was a captivating talk delivered by Mr. Mohammed Ajmal C, the distinguished Founder and CEO of XandY Learning, who graciously shared the intricate details of his entrepreneurial journey.

Mr. Ajmal's talk proved to be an invaluable experience for the approximately 300 students who actively participated in the event. His narrative provided deep insights into the challenges, triumphs, and strategic decisions that shaped his entrepreneurial path. The students were not only attentive but also actively engaged in the discussion, showcasing their eagerness to learn from a seasoned entrepreneur.

The interactive session took an even more enriching turn as students posed thoughtful questions to Mr. Ajmal. This exchange of ideas and experiences created a dynamic atmosphere, fostering a sense of curiosity and enthusiasm among the attendees. The questions ranged from the practical aspects of running a startup to the broader themes of leadership and innovation in the business world. The celebration successfully achieved its objective of inspiring and encouraging the entrepreneurial

spirit among the students. Mr. Ajmal's real-world insights resonated with the aspiring pharmacists, motivating them to consider entrepreneurship as a viable and exciting career path.

The event was not only educational but also a networking opportunity, allowing students to connect with Mr. Ajmal and gain valuable perspectives. The College is grateful for Mr. Ajmal's gracious presence and willingness to share his knowledge, contributing significantly to the success of the National Entrepreneurship Day celebration. The programme was by concluded by 4 PM.
