Venue – G mail

REPORT :-

Topic: Environmental Photography competition

Organised by Department of Pharmacognosy in association with NSS unit of Al Shifa College of Pharmacy. The program was conducted online by accepting entries not exceeding (3 photographs of Medici plants with their names) from students of different Pharmacy colleges through out India. Entries received on or before 07/06/2021 are considered for competition. The main objective of this programme is to get an idea regarding the awareness of medicinal plants in their locality, among students for the protection of environment. 43 entries were received and all are of good quality and the students clearly photographed medicinal plants with their names. It include certain rare plants also.
