Campus Sanitation & Mosquito Eradication Drive

NSS in association with Youth Red Cross

Date: 13-09-2023

Venue: Al Shifa College of Pharmacy

Time : 9am to 4 pm

A Campus Sanitation & Mosquito Eradication Drive was organized in the campus on September 13, 2023 as part of Community engagement in association with the NSS Unit and the Youth Red Cross unit of Al Shifa College of Pharmacy. The drive was inaugurated by the Principal, Prof (Dr) TNK Suriyaprakash, in the presence of Prof Junise V (Coordinator, NSS & YRC), Mr Nawas Babu (Administrative Manager) and Dr Linu Mohan (Professor, Department of Pharmacy Practice, and Criteria Head, Criteria 6, KUHS-QAS). The event was inaugurated with a water well cleaning activity, where both the wells in the campus were cleaned and disinfected. This was followed by a campus cleaning drive led by students of 7th Semester B.Pharmacy. Students participated actively in collected waste from different parts of the campus, helping us achieve the goal of having a clean campus. In addition to the sanitation effort, a Mosquito eradication drive was also performed, where students cleared accumulate water in different parts of the campus, and disinfectants were sprayed for elimination of mosquito larvae. An awareness class was organized in the Seminar Hall at 2.30pm, led by Mr Salim V (Junior Health Inspector, FHC Kizhattur). He explained the necessity for sanitation and mosquito eradication drives. His lucid explanation about different kinds of mosquitoes, the common diseases they spread and methods of eliminating the source of such mosquitoes was received well by students. He also added some important points about Project Indradhanush towards improving Vaccination Coverage, and "DRY DAY" - a campaign by the state government to eliminate dry waste at source. His session was followed by a small discussion and feedback. The events concluded with a plan to create a roadmap for establishing a Clean and Green Campus. The co-ordinators for the events were Mr Binai K Sankar, Mr Ajith C and Ms Raheena
