Brief Description : On 11<sup>th</sup> November, 2024, Al Shifa College of Pharmacy, in alignment with the celebration of National Education Day, organized a series of activities to honor the contributions of Maulana Abul Kalam Azad, India's first Minister of Education, and to emphasize the importance of education in shaping the future of individuals and the nation. On this significant day, the college introduced a unique initiative where student-teachers took on the role of educators for one hour, engaging in peer teaching and sharing knowledge with their fellow students. The event was a 6 hours programme, held from 9:00

AM to 4.00 PM. The most notable feature of this year's National Education Day celebration at Al Shifa College of Pharmacy was the introduction of the Student-Teacher Initiative, where selected pharmacy students took on the role of educators for one hour.

Students were given the responsibility to prepare and deliver a lecture on a topic of their choice within the domain of pharmacy or health sciences. This provided them with an opportunity to research, prepare, and present their knowledge in a structured format. The students actively engaged their peers with Q&A sessions, group discussions, creating a dynamic learning environment.

Students who had taken the role of educators shared their experiences and insights into the process of preparing and delivering a lecture. Faculty members provided constructive feedback to help improve the learning experience for both student-teachers and student-learners.

The National Education Day celebrations at Al Shifa College of Pharmacy were a resounding success, with a clear focus on Maulana Abul Kalam Azad's legacy and the value of education in personal and societal development. By introducing the Student-Teacher Initiative, the college created a platform for students to step into the role of educators, empowering them to actively contribute to the learning process and develop skills that will benefit them throughout their careers. The event highlighted the importance of education in shaping future leaders in the field of pharmacy and healthcare.

## **"BEYOND BOUNDARIES- AN UPSKILLING WORKSHOP"**

**IIC in association with UDYOGAH**

**Date: 24-01-2024**

**Venue: Multipurpose Auditorium, Al Shifa College of Pharmacy**

**Time: 10am to 12 pm**

The "Beyond Boundaries-An Upskilling Workshop" on Entrepreneurship skill, attitude, and behavior development, featuring Usha R Poornima, the esteemed founder of 3E, was a transformative experience for 4th-year Pharm D and MPharm students from various branches.

Commencing at 10 am, the workshop delved into personal and professional growth, engaging students in discussions on personality, behavior, and attitude development. The session also provided valuable insights into interview presentation skills. Faculty had given a detailed talk on the "Do's and Don't do's" in an interview.

The faculty ensured active student participation through various activities, fostering an interactive learning environment. The session was very much delighted with the feedback from the students. Most of the students expressed their sincere gratitude for organizing such a wonderful workshop which was a milestone in their future journey.

Notable personalities such as Principal Dr. Dilip C, Vice Principal Prof. Junise V, Udyogah Head Mr. Ajith Chandran, Pharmacy Practice HOD Dr. Linu Mohan P, and IIC heads Dr. Sanal Dev & Mrs. Nikhila graced the event.

Efficiently coordinated by Mrs. Raheena K A, the workshop seamlessly executed its objectives, leaving an indelible mark on the attendees' entrepreneurial journey.

## IGNITE THE SPARK

Organized by UDYOGAH in association with SQAC & IQAC

Date :23-05-24

Time : 10am

Venue: Al Shifa College of Pharmacy

Training and Placement Cell-UDYOGAH in association with SQAC & IQAC organized a career guidance program on 23rd May 2024 at 10 AM in the Multipurpose Auditorium at Al Shifa College of Pharmacy. The session was led by Dr. Hussain Melattur, a JCI National Trainer and International Corporate Trainer. Students from the 7th and 8th semester B Pharm, as well as the 3rd and 4th year Pharm D, attended the training, totalling 121 students.

The program aimed to enhance students' personality development, interview skills, leadership skills, and time management. Group activities were also conducted to improve their thinking and communication skills. Prof. Dilip C, Principal of Al Shifa College of Pharmacy, inaugurated the session with a welcome address, emphasizing the importance of such training.

Mr. Nahas Abdul Razaq from the Placement Cell and JC Dr. Reem, a dentist, felicitated the session, underscoring the value of personality and soft skills development. The session concluded with a vote of thanks by Prof. Ajith Chandran, Placement cell Officer, who acknowledged the contributions of everyone involved. Mr. Shafin and Mrs. Swathi provided essential support, while Mrs. Raheena dedicatedly coordinated the event.

Students benefited significantly from the session, gaining valuable skills for their professional development. The event was successful, thanks to the collaborative efforts of the faculty and coordinators, leaving a lasting impact on the participants.

**Brief description:** On May 24, 2024, a seminar on "Entrepreneurial Prospects and Government Support," including legal and ethical aspects of startup plans, was held at the Seminar Hall. Mrs. Nikhila T, Assistant Professor and IIC Vice President, welcomed attendees, emphasizing the importance of entrepreneurial education and government support. Dr. Dilip C, Principal of ACP, inaugurated the event, highlighting the role of educational institutions in promoting entrepreneurship. The keynote address by chief guest Mr. Vinod PC, Assistant District Industries Officer, covered the significance of MSMEs, government support schemes, the role of Entrepreneurship Development Cells (EDCs) in fostering innovation, and available technical support for startups, including financial assistance and regulatory support. Mr. Nahas, Manager Relations in Placement, and Dr. Arun Rasheed, Vice Principal in Academics, spoke on the importance of industry relations, networking, and the integration of entrepreneurial education in academia. Dr. Pallavi P, Assistant Professor, concluded the seminar with a vote of thanks. The seminar provided valuable insights into MSMEs, EDCs, technical support, and government initiatives, underscoring the collaboration between educational institutions, industry, and government in fostering entrepreneurship.
